

## **Devesys Technologies Signs TrakEnterprise License Agreement with Large Accountancy Firm**

MADISON, WI, May 29, 2009 - Devesys Technologies, Inc. (DTI) is pleased to announce that it has signed a "multi-seat" software license agreement with the U.S. arm of one of the four largest international accountancy and professional services firms for use of TrakEnterprise, an industry-leading enterprise case tracking and investigation management system.

"We are extremely pleased to deploy our latest version of TrakEnterprise with one of the world's leading companies. They will use TrakEnterprise for case tracking, management and reporting enterprise solutions," said Jim Preysz, Vice President of DTI. "They had been using an earlier version of our software since 2002."

TrakEnterprise and TrakWeb form the hub of a comprehensive case management system.

### About Devesys Technologies, Inc.

Devesys® Technologies, Inc., has been developing case management, tracking and reporting systems since 1995. Its industry-leading analytical tools and reporting capabilities are being used within many Fortune 500 companies.
