

Devesys Technologies Customizes TrakWeb™ Case Management System for Large Accountancy Firm

MADISON, WI, October 31, 2014 - Devesys Technologies, Inc. (DTI) is pleased to announce that it has signed a software customization agreement with the U.S. arm of one of the four largest international accountancy and professional services firms to provide a significant amount of enhancements to the TrakWeb™ case management system.

"We are extremely pleased to continue our long-standing relationship with this valuable client who has been using our systems since 2002", said Jim Preysz, President of DTI. "The extensive customizations put them on the cutting edge of case tracking, management, reporting and investigation enterprise solutions."

About Devesys Technologies, Inc.

Devesys® has been providing case management, tracking and reporting systems since 1995 for a wide variety of functional areas, such as Ethics, Compliance, HR, ER, Security, Legal, Privacy, and Audit. Its industry-leading analytical tools and reporting capabilities have long been used by many Fortune 500 companies. Devesys has won strong praise for outstanding tracking systems that are easy to use and maintain, and for their responsive support team. TrakEnterprise® and TrakWeb™ are highly configurable, adaptable, and scalable. See more at <http://www.devesys.com/>.
