

BMW Group Orders Additional TrakWeb™

Case Management Functionality from Devesys

MADISON, WI, – November 30, 2014. Devesys Technologies, Inc. (DTI) is pleased to announce that it has signed an order for a significant amount of new TrakWeb case tracking and investigation management system enhancements with BMW Group, one of the world's leading manufacturers of automobiles and motorcycles.”

"We are extremely pleased to deploy this expanded version of TrakWeb with one of the world's leading companies. It will be used by BMW Group's Corporate Compliance Department and other stakeholders to track compliance cases, report to management, and support their expanded business objectives" according to Jim Preysz, President of DTI.

About Devesys Technologies, Inc.

Devesys® has been providing case management, tracking and reporting systems since 1995 for a wide variety of functional areas, such as Ethics, Compliance, HR, ER, Security, Legal, Privacy, and Audit. Its industry-leading analytical tools and reporting capabilities have long been used by many Fortune 500 companies. Devesys has won strong praise for outstanding tracking systems that are easy to use and maintain, and for their responsive support team. TrakBasic® , TrakEnterprise®, TrakWeb™ and the Security Tracking System are highly configurable, adaptable, and scalable. See more at <http://www.devesys.com/> and [why hotlines are not enough](#).
