

Devesys Technologies Signs TrakWeb License Agreement with BMW Group

MADISON, WI, Jun 17, 2009 - Devesys Technologies, Inc. (DTI) is pleased to announce that it has signed an initial order for a "multi-seat" software license agreement with BMW Group, one of Germany's leading carmakers, for use of TrakWeb, an industry-leading enterprise case tracking and investigation management system.

"We are extremely pleased to deploy our latest version of TrakWeb with one of the world's leading companies. BMW will use TrakWeb for case tracking, management and reporting enterprise solutions," said Jim Preysz, Vice President of DTI.

TrakWeb and TrakEnterprise form the hub of a comprehensive case management system.

About Devesys Technologies, Inc.

Devesys® Technologies, Inc., has been developing case management, tracking and reporting systems since 1995. Its industry-leading analytical tools and reporting capabilities are being used within many Fortune 500 companies.
