

BMW Group Orders Additional Case Management Licenses from Devesys Technologies

MADISON, WI, – August 25, 2011 Devesys Technologies, Inc. (DTI) is pleased to announce that it has signed an order for additional “multi-seat” software licenses with BMW Group, one of Germany’s leading carmakers, for use of TrakWeb, an industry-leading enterprise case tracking and investigation management system.

"We are extremely pleased to deploy our latest version of TrakWeb with one of the world's leading companies. BMW will use TrakWeb for case tracking, management and reporting enterprise solutions," said Jim Preysz, Vice President of DTI.

About Devesys Technologies, Inc.

Devesys® has been providing case management, tracking and reporting systems since 1995 for a wide variety of functional areas, such as Ethics, Compliance, HR, ER, Security, Legal, Privacy, and Audit. Its industry-leading analytical tools and reporting capabilities have long been used by many Fortune 500 companies. Devesys has won strong praise for outstanding tracking systems that are easy to use and maintain, and for their responsive support team. TrakBasic® , TrakEnterprise®, TrakWeb™ and the Security Tracking System are highly configurable, adaptable, and scalable. See more at <http://www.devesys.com/> and [why hotlines are not enough](#).
