

Fortune 100 Technology and Manufacturing Leader Orders TrakWeb Licenses from Devesys Technologies

MADISON, WI, April 20, 2010 - Devesys Technologies, Inc. (DTI) is pleased to announce that it is providing additional software licenses and services to a Fortune 100 diversified technology and manufacturing leader for TrakWeb™, part of an industry-leading enterprise case and investigation tracking, reporting and management system.

"We are extremely pleased to provide more licenses and support for one of the world's leading companies. This TrakWeb application will be configured to better fit the business process for Grievance Tracking in the Employee Relations department.

The Fortune 100 company's Ethics department has proudly used the Devesys TrakEnterprise® case tracking and management software since 2002.

About Devesys Technologies, Inc.

Devesys® Technologies, Inc. has been developing case management, tracking and reporting systems since 1995. Its industry-leading analytical tools and reporting capabilities are being used within many Fortune 500 companies.
